Other Projects Github	

Certifications, Honours and Awards

Certifications : [Link](#)

I have HackerRank certifications and badges in SQL and Python and was named Intern of the Month at Capnit Technologies. I led a team at an NSS camp, and was a runner-up in the Someshwar Techathon for 2023-24, and organized a college event for 2,000 attendees. I also participated in the Smart India Hackathon in 2023 and 2024.
